- 6244 – 25 litres (2,500 cows)
- 6245 – 200 litres (20,000 cows)
- 6246 – 1000 litres (100,000 cows)

Shelf life:

- 1 year from date of manufacture

Storage instructions:

Store between 0°C to 25°C.
Keep out of direct sunlight.

Pre-milking use:

1. Apply product to clean teats by dipping, spraying or foaming.
2. Allow product contact time of at least 30 seconds.
3. Wipe off using a disposable wipe.
4. Apply clusters.

Post-milking use:

1. Immediately after cluster removal, apply product to teats by dipping or spraying.
2. Ensure that teats are fully covered and that product is liberally applied.
